Police in Great Falls made one arrest in their most recent effort to catch online sexual predators.

KFBB-TV reports (<http://bit.ly/1zwsOUL>) Jordan Mandel was charged with felony attempted prostitution after police say he paid an undercover officer \$160 so he could have sex with a 13-year-old girl. The meeting was arranged for Jan. 15 after Mandel responded to an online advertisement for prostitution services placed by the Internet Crimes Against Children Task Force.

Mandel's bond was set at \$25,000.
